

**EPSO Conference first time in Scandinavia:** welcome to the [5<sup>th</sup> EPSO Conference 'Plants for Life'](#) in Olos, Lapland, 29 August – 2 September 2010.

[Information, registration, abstract submission](#)    **Contact:** [Nadia Khawaja](#)

If you want to enjoy a very inspiring line up of speakers on diverse topics of plant science, network, rub shoulders with prospective colleagues and share your thoughts, it would be a pleasure to meet you at 5<sup>th</sup> EPSO Conference in Olos this year. The **deadline for registration is 30 June**, 2010.

The EPSO conference brings the latest unpublished research to your attention and features **excellent speakers**: Jonathon Jones and Olivier Voinnet (Keynotes); Mike Bevan, Pere Puigdomenech, Jean-Christophe Glazmann, Alan Schulman (Crop genomes); Arjen van Tunen, Maarten Koornneef, Richard Thompson (Breeding tools and strategies); Thomas Boller, Ulrich Schurr, Dierk Scheel (Plant health); Wilhelm Gruissem, Tim Willis, Shivaji Pandey (Science Policy); Heribert Hirt, Philippe Ciais, Chiara Tonelli, Mark Fennell (Climate change and plant production); Ian Woodward, Jenny McElwain, Gail Taylor, Alexander Platt (Climate, ecosystems and genomics); Bernhard Schmid, Hugh W. Pritchard (Biodiversity); Jan Traas, Jane Langdale, Dani Zamir, Ruben Gutzat (From plant architecture to traits); Stefan Jansson, Wout Boerjan, Tomas Vanek, Hely Haeggman (Tree biology for multiple uses); Maurice Moloney, Kazuki Saito, Eva Stoger, Werner Roos (From metabolites and recombinant proteins to plant-made-pharmaceuticals); Bruce Osborne, Riitta Puupponen-Pimia, Michel Oren-Shamir (Plants nutritional quality and value); Bill Rutherford, Kazimierz Strzalka (From photosynthesis to solar fuels)... **and workshops** on Outreach and Education (Jan Kellmann) and the Research Action Plant 'Plants for the Future' (Ulrich Schurr and Karin Metzloff).

5<sup>th</sup> Conference
